

# MyVilla Collection Réf.122

Built on a plot of 12000 m<sup>2</sup> with a living area of 1000 m<sup>2</sup> the Palace is a real architectural jewel, facing the atlas in the heart of a landscaped park with a thousand flavor not far from the bustling city of Marrakech, on the road from the valley of ourika. With its 5 beautifully decorated suites and its majestic entrance crowned with a finely carved dome, once inside you believe to be living a dream.

Inspired by Persian, Moroccan and contemporary architecture, the Palace is a haven of peace offering clean lines.
